A New Year Message from Don

Happy New Year!

Firstly I'd like to thank Laurence for taking on the job of producing a newsletter. The plan is that it will be produced monthly, and contributions are very welcome. Please speak to Laurence or email him with any suggestions.

As we begin a New Year, we still face the challenges of the ongoing pandemic. I'm sure we had all hoped that this would be behind us by now. However, God's work continues, and we should be looking forward to what we are able to do rather than dwelling on what we can't do.

We have been very blessed over the last year as we have seen an increase in the numbers attending the Fellowship, but we must never get complacent. We are still called to fulfil the Great Commission:

Matthew 28:19-20 "Therefore go and make disciples of all nations, baptising them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age."

Our primary task is to share the Good News of Jesus and this is something we are all able to do. It can be daunting for many of us but even just simply sharing your testimony with someone can be incredibly effective.

Can I encourage you this year to make every effort to take that to heart and use every opportunity that presents itself.

God Bless,

Don
